

Parking - HTC at 218 S Wabash

1. **Where do I park?** 17 East Adams Street is offering us the following price points, which seem to be the best in the area. To receive these rates, you must use our code in [iParkit app](#).

\$14 parking for 12 hours

\$8 parking for 3 hours

\$6 parking for 6 hours on Sundays only

2. **How do I set up the app?** We've created this [video tutorial](#) to walk through the set up!

- Download the [iParkit app](#) and set up an account.
- Use the **"program code" HOLYTRINITY** when setting up your account in order to get the discounted parking.
- This will generate an "Express Pass" which is your unique QR code that you'll use to **enter** and **exit** the garage.

*Note: If you do not scan the app on the way in - you will not be able to scan on the way out. Your "Express Pass" needs to be scanned on the way **in** and **out** for the discount to apply.*

If you already have the app and need to add the HTC discount, follow these steps:

1. Click the bars in the upper left corner
2. Click on "Account Settings"
3. Click "Express Settings"
4. It should say "Program Code - "
5. Click "Edit"
6. Change the program code to HOLYTRINITY

Once the app is set up on your phone, click the bars in the upper left corner and click express pass. It can be added to your apple wallet.

3. **How do I get to HTC from the parking garage?** If you exit from the elevator, take a right on Adams and an immediate right on Wabash (under the El). HTC will be at 218 S Wabash on your right. If you take the south stairwell, you'll exit on Wabash. HTC will be on your right.
4. **How do I get to HTC once in the building?** We're on the entire 2nd floor, walk up the stairs in the lobby or take the elevator.
