CHICAGO COURSE
ON PREACHING**

CCP PREVIEW DAYS

Join us online or in person to experience the Chicago Course for yourself. Anyone who is interested in the in-depth, rigorous, and extensive training in expositional preaching is welcome to attend. Each preview day will be from 9am-12:30pm Central. Not only will you be able to observe the morning devotionals and instructions, but time will also be given during the breaks to answer any questions about the Course you may have.
