

CHICAGO COURSE ON PREACHING SUMMER INTENSIVE 2021

Working pastors need to continually make progress in their preaching. At the same time, finding opportunities to do so is difficult given the busyness of ministry life. The CCP Summer Intensive is a three-week intensive residential training opportunity in expositional preaching for pastors who have attended at least three CST workshops or taken all of the CST online genre courses. Modeled after the full Chicago Course, the Summer Intensive seeks to bring the best of the CCP to pastors who are unable to come to the Course during the academic year.

What:

- Each week focuses on a different biblical genre. In 2021 we will cover Epistles, Wisdom, and Prophets.
- A Winter Intensive in January of 2022 will be given to the study of Apocalyptic, OT History, and Gospels.
- Six hours of instruction each week will be given to genre principles. One hour will be given to a Portrait of Preaching and another to an element of Persuasion.
- Additionally, students will complete 24 Practice Group worksheets and preach 3 sermons to their cohort.
- Only twelve pastors will be accepted this year, forming two cohorts of six students apiece.
