

ONE WORLD

THE WORD AT WORK

“Our calling, and of this I am sure, is to aggressively steward the work God entrusted to us 17 years ago, namely, to broaden and deepen the best of biblical exposition around the globe.”

—David Helm

In doing so, we will build on the influence God has given us so that God's people will hear his Word preached more clearly.

STRENGTHEN AND MULTIPLY WORKSHOPS NATIONALLY AND GLOBALLY

We will grow our Workshops by 31 percent. Workshops equip people to preach and teach God's Word by 1) convincing them that exposition of the Word is how God's voice is heard, 2) encouraging them that it can be done—that it is not too hard, and 3) showing them how it is done. God's people will be better fed as a result.

LAUNCH TRAINING COURSE

This residential course—the *Chicago Course on Preaching*— will train young people to handle God’s Word over one or two years through a combination of instruction, hands-on learning, and church ministry. This stream of individuals has the longest ministry trajectory—and if we can instill good biblical instincts in them early, the church could see highly effective pastors and teachers serving for decades to come.
