

# COVID-19 GUIDELINES FOR PARTICIPANTS

*The Charles Simeon Trust requires a signed wavier from each participant upon entry to the Workshop, but no longer has any specific COVID-19 transmission mitigation requirements at our US Workshops. Host churches will make all decisions concerning restrictions.*

**Guidelines for Nashville, Tennessee, Workshop** participants as given by Grace Community Church of Nashville include the following:

- We welcome the use of masks, but do not require them. We will communicate local recommendations on this to participants in early January.
- We welcome individuals to social distance, and our large and small group spaces do allow for this.
- We have extra sanitizing practices taking place throughout the building.
- We place no restrictions on singing.

*If you have any questions about the above policies, please contact Grace Community Church of Nashville at (615) 377-8997.*
